## PROFESSIONAL SUMMARY

Myself Srinivas, a final-year B.Tech Information Technology student with strong skills in software testing, web development, and database management. I am eager to contribute to a dynamic role in QA, web development, or business analysis, and grow within a tech-driven organization where I can apply my skills and learn continuously.

## EDUCATION

### B-Tech Information Technology

A.V.C College Of Engineering, Mayiladuthurai 2021 -2025  
Current CGPA -7.42%

### CLASS 12

Vivekananda Matric Hr Sec School, Sirkali. 2020- 2021  
Completed With 87%

### CLASS 10

Vivekananda Matric Hr Sec School, Sirkali. 2018 - 2019  
Completed With 84%

## PROJECTS

### Hospital Management System September -2024

Developed a full-stack web app using Java, SQL, HTML, and CSS to manage patient data, doctor appointments, and admin tasks. Implemented role-based login for doctors, patients, and admins with real-time record access.

### Powered EV Sharing And Charging System With Cloud Integration May-2025

Developed using Python, SQL, and web technologies to help users locate nearby EV charging stations and book slots in real time. Implemented GPS-based station search, live slot tracking, and secure login features. Focused on seamless user experience and efficiency for EV users.

## CERTIFICATIONS
